

The Peggy & Donald Cravens Pet Memorial Garden

When the Time Comes to Say Goodbye

Having provided you with unconditional love and affection throughout their life, the loss of a pet can bring grief and sorrow.

Our Pet Memorial Garden offers a resting place for the ashes of your beloved pet in a tranquil garden setting, open year-round for visits and peaceful reflection. All pets, and their people, from all faiths or none, are welcome here. At your request, one of our clergy can be available to offer prayers when your pet is laid to rest. Your pet's granite wall niche includes a beautiful brushed brass memorial plaque.

Contact Debby Jansma at 760-346-2697 ext. 104, or debbyj@stmargarets.org for more information and to purchase a niche.
